PROFILE

I am an enthusiastic BSc. CSIT student with a strong passion for Artificial Intelligence and Machine Learning. I possess a solid foundation in Python, data analysis, and ML algorithms, and am eager to apply these skills to real-world projects. I seek an internship opportunity where I can contribute to innovative AI solutions, collaborate with experienced professionals, and further develop my expertise as an aspiring AI/ML practitioner.

TECHNICAL SKILLS

Programming Languages : Python, JavaScript
ML Frameworks and Libraries: Tensorflow, Scikit-learn, Librosa
AI Tools & Platforms: n8n, OpenAI API
Backend: Flask, FastAPI, NodeJS
Database: MySQL ,SQLite, MongoDB
Tools & IDE : Visual Studio Code, Git, Pycharm

EXPERIENCE

AI Intern – Connexica Technologies
Remote | 2025

- Worked on agentic AI workflows using n8n and API integrations.
- Developed and optimized backend logic for intelligent automation pipelines.
- Collaborated on AI-driven systems focusing on data flow, prompt engineering, and model interaction.

PROJECTS

Parkinson's Detection System ([LINK](#))

- Developed a system that can detect Parkinson's Disease in a person using their voice samples. Makes use of flask framework with python language for applying machine learning logics in order to detect the disease.
- Tech used: python, flask, ML(TensorFlow, scikit-learn, Librosa, Pandas)

Ecommerce Site ([LINK](#))

- An e-commerce platform built using MERN stack.

Flask To-do App ([LINK](#))

- Developed a To-Do application using Flask with features to add, update, and delete tasks.
- Implemented a clean and intuitive user interface for efficient task management.

Ride-Sathi

- Built a user-friendly ride-sharing platform using React.js, Firebase, and Next.js with real-time ride selection and fare calculation.
- Integrated Google Authentication for secure and seamless user login.

EDUCATION

High School

Annapurna School of Science and Management, Kantipath

Bachelor

New Summit College| 2021-Present

Bachelor of Science in Computer Science and Information Technology (BSc. CSIT)

CERTIFICATES**Graphic Designing (Course Completion)**

Global IT Training & Skill Development PVT.LTD

Internship Certificate - Nepal Telecom

Completed a 3-month internship gaining practical experience as a Data Entry Assistant
